Kadish, Hinkel & Weibel named in 2017 "Best Law Firms" rankings

Cleveland, Ohio—November 2016— For the seventh consecutive year *U.S. News & World Report* and *Best Lawyers* have announced the "Best Law Firms" rankings. Kadish, Hinkel & Weibel has once again been ranked in the 2017 *U.S. News - Best Lawyers*® "Best Law Firms" list nationally in two practice areas and regionally in six practice areas.

Firms included in the 2017 "Best Law Firms" list are recognized for professional excellence with persistently impressive ratings from clients and peers. The 2017 Edition of "Best Law Firms" includes rankings in 74 national practice areas and 122 metropolitan-based practice areas. One "Law Firm of the Year" is named in each of the 74 nationally ranked practice areas.

“We are extremely honored to be recognized and highly ranked by *U.S. News & World Report* and *Best Lawyers* Best Law Firms, but this year is a particularly special honor because we are named in two national categories, Litigation - Tax and Tax Law,” said Stephen Kadish of Kadish, Hinkel and Weibel. “We also expanded our former ranking by being named under the Cleveland category of Closely Held Companies and Family Businesses Law. The recognition is validation for our team of attorneys and staff that our client service is outstanding.”

Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise. Ranked firms, presented in tiers, are listed on a national and/or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in their communities and the same practice areas for their abilities, their professionalism and their integrity.
