Best Lawyers has published their list for over three decades, earning the respect of the profession, the media, and the public as the most reliable, unbiased source of legal referrals. Its first international list was published in 2006 and since then has grown to provide lists in over 65 countries.

Best Lawyers is the most effective tool in identifying critical legal expertise," said CEO Steven Naifeh. "Inclusion on this list shows that an attorney is respected by his or her peers for professional success."

Lawyers on *The Best Lawyers® in America* list are divided by geographic region and practice areas. They are reviewed by their peers on the basis of professional expertise, and undergo an authentication process to make sure they are in current practice and in good standing.
